

Early Literacy Tip -- Playing:

When we play with a child by acting out a favorite story we help them understand the way stories work which will help them when they begin to read.

Bonus Activity:
Act out a favorite story, like *The Three Little Pigs* using your child's toys. The older your child, the more they can participate in recreating the story.

Visit DaybyDayVa.org or ask at the library for more ideas of activities that promote early literacy skills.

- If you read to more than one child at once, the book can be included on each sheet.
- If you read the same book to the same child more than once, you can color in a square each time.
- Include books read to your child by anyone -- older siblings, grandparents, childcare providers, storytime librarians.
