#1 Bestselling Author of *The Guns at Last Light*

THE BRITISH ARE COMING

THE WAR for AMERICA,
LEXINGTON to PRINCETON, 1775-1777

VOLUME ONE of THE REVOLUTION TRILOGY

Rick Atkinson, author of the Pulitzer Prize-winning *An Army at Dawn* and two other superb books about World War II, turns his attention to a new war, and in the initial volume of the Revolution Trilogy he recounts the first twenty-one months of America's violent war for independence.

Full of riveting details and untold stories, *The British Are Coming* is a tale of heroes and knaves, of sacrifice and blunder, of redemption and profound suffering. Rick Atkinson has given stirring new life to the first act of our country's creation drama.

1776

David McCullough

973.3 McCullough

Based on extensive research in both American and British archives, 1776 is a powerful drama written with extraordinary narrative vitality. It is the story of Americans in the ranks, men of every shape, size, and color; farmers, schoolteachers, shoemakers, no-accounts, and mere boys turned soldiers. And it is the story of the King's men, the British commander, William Howe, and his highly disciplined redcoats who looked on their rebel foes with contempt and fought with a valor too little known.

Written as a companion work to his celebrated biography of John Adams, David McCullough's 1776 is another landmark in the literature of American history.

Bunker Hill

Nathaniel Philbrick

973.331 Philbrick

From the NEW YORK TIMES bestselling author of
MAYFLOWER and IN THE HEART OF THE SEA

NATHANIEL
PHILBRICK

BUNKER
HILL

A CITY, A SIEGE,
A REVOLUTION

In the opening volume of his acclaimed American Revolution series, Nathaniel Philbrick turns his keen eye to pre-Revolutionary Boston and the spark that ignited the American Revolution. In the aftermath of the Boston Tea Party and the violence at Lexington and Concord, the conflict escalated and skirmishes gave way to outright war in the Battle of Bunker Hill. It was the bloodiest conflict of the revolutionary war, and the point of no return for the rebellious colonists. With passion and insight, he reconstructs the revolutionary landscape—geographic and ideological—in a mesmerizing narrative of the robust, messy, blisteringly real origins of America.

Founding Mothers

COKIE ROBERTS

Author of the #1 *New York Times* Bestseller
We Are Our Mothers' Daughters

Cokie Roberts

973.3 Roberts

Founding Mothers

THE WOMEN WHO
RAISED OUR NATION

Founding Mothers is an illuminating look at the fervently patriotic and passionate women whose pursuits on behalf of their families—and their country—proved just as crucial to the forging of a new nation as the rebellion that established it.

Drawing upon personal correspondence, private journals, and even favored recipes, Roberts reveals the often surprising stories of these fascinating women, bringing to life the everyday trials and extraordinary triumphs of individuals like Abigail Adams, Mercy Otis Warren, Deborah Read Franklin, Eliza Pinckney, Catherine Littlefield Green, Esther DeBerdt Reed, and Martha Washington—proving that without our exemplary women, the new country might have never survived.

His Excellency:
George Washington

Joseph J. Ellis

92 Washington

NATIONAL BESTSELLER

*His
Excellency*
GEORGE
WASHINGTON

"Ellis has done it again. This is an important and challenging work: beautifully written, lively, serious and engaging." —*The Boston Globe*

JOSEPH J. ELLIS
Pulitzer Prize-winning author of
FOUNDING BROTHERS and AMERICAN SPHINX

To this landmark biography of our first president, Joseph J. Ellis brings the exacting scholarship, shrewd analysis, and lyric prose that have made him one of the premier historians of the Revolutionary era. Here is the impetuous young officer whose miraculous survival in combat half-convinced him that he could not be killed. Here is the free-spending landowner whose debts to English merchants instilled him with a prickly resentment of imperial power. We see the general who lost more battles than he won and the reluctant president who tried to float above the partisan feuding of his cabinet. His Excellency is a magnificent work, indispensable to an understanding not only of its subject but also of the nation he brought into being.--
