COMMITTEE APPOINTMENTS AND REPORTS

1. Budget Committee Report
Trustee Childs reported that the Budget Committee met earlier this month and discussed the Proposed JMRL FY25 Budget. The Budget Committee is recommending the Proposed JMRL FY25 Budget to the Board for a vote.

OLD BUSINESS

1. Discussion and Potential Vote on Proposed JMRL FY25 Budget
Director Plunkett shared with the Board the proposed JMRL FY25 Budget. Director Plunkett reported that the operating expenses are stable between FY24 and the proposed FY25 Budget, with only a .2% increase. Personnel expenses increased from FY24 with a total increase of 4.8% for the proposed FY25 Budget. The proposed FY25 Budget includes only two of
the operational requests that JMRL's managers requested: 100 additional substitute hours at Louisa and upgrading a position at Greene from a part-time Children's Specialist to a full-time Young Adult Librarian. The proposed FY25 Budget also includes a 2% cost of living pay increase for all staff, as well as an additional 3% pay increase (5% total) for staff that have been employed with JMRL for under eight years, and an additional 5% pay increase (7% total) for staff that have been employed with JMRL for over eight years. Trustee Harris moved to approve the Proposed JMRL FY25 Budget as submitted by the Budget Committee. The motion passed unanimously.

COMMITTEE APPOINTMENTS AND REPORTS (CONTINUED)

2. Central Renovation Working Group Report
Trustee Hemenway reported on Working Group meetings with Charlottesville and Albemarle staff and elected officials.

3. Five-Year Plan Committee Report
Trustee Cole reported that the Five-Year Plan Committee met in November and formed a sub-committee to condense what has been written so far on the FY25-29 Five-Year Plan; the sub-committee will meet in early December. The full Five-Year Plan Committee will meet in February. The Five-Year Plan Committee reviewed the results of the recent public survey. Trustee Cole reported that the Committee aims to get a full draft of the new Five-Year Plan to the Board in April, which will need a final vote in June.

NEW BUSINESS

1. Discussion and Potential Motion for Job Description Revision Project
Director Plunkett reported that the City of Charlottesville is hiring an outside group to rewrite the internal City job descriptions and announced that JMRL has the opportunity to be included in this study, which will cost up to $37,000. Director Plunkett recommended expenditure for this study. Trustee Harris moved that the Board authorize JMRL to expend up to $37,000 to participate in the City of Charlottesville's contracted job description revision project from the library operating costs in FY24. The motion passed unanimously.

2. Potential First Reading of Policy 5.6 (Signage)
Policy 5.6 (Signage) was presented to the Board for a first reading. Policy 5.6 will be presented to the Board next month for a potential vote.

LIBRARY DIRECTOR’S REPORT
Director Plunkett reported that the Drive-up window service at Gordon Avenue Library is installed and will begin services starting Monday. JMRL's Greene County Library Branch Manager, Ginny Reese, retired last Wednesday and JMRL's Young Adult Services Coordinator, Tim Carrier, retired last month; hiring for these two positions is currently underway. Director Plunkett thanked Brittany Eversberg for coordinating the JMRL Food Drive which collected 600 pounds of donations, so far. The book vending device for Nellysford, funded by the Grow Nelson Library, has been ordered and should potentially arrive in February or March 2024. The book vending device will be located at the Nellysford Shopping Center.

OTHER MATTERS
Trustee Polanowski asked for a status update regarding the repair of the lockers at the Louisa County Library. Director Plunkett stated JMRL is currently awaiting repair parts for the lockers, but there is no eta at this time.

FUTURE AGENDA ITEMS
Possible future agenda items include a potential vote on Policy 5.6 (Signage), reports from the Policy Committee and the Central Library Working Group, and a presentation on the survey results from the Five-Year Plan. The next Board Meeting will be December 18, 2023 at the Northside Library.

SIGNAGE

SIGNAGE BY LIBRARY STAFF

Signage in the library should be clear, neat, and professional, generally not handwritten.

All signs in public areas must be approved by the Branch Manager or designee.

Sign Content:

- All signs require a small initial and date in the bottom left corner to indicate when the sign was made and who made it.

- All signs, no matter how long they are being used, need to follow the guidelines of the JMRL Style Manual in the usage of font, color, and layout ideas. The exceptions are the brochures for the Teen and Kids summer reading programs and the READ posters. If possible the JMRL Style Manual font should be used where appropriate for summer reading brochures.

- Signage templates that are on the Intranet should be used as guidelines for sign layout.

- All signs need the JMRL footer from the JMRL Style Manual.

Posting Signs:

- Signs should be changed in a timely manner to keep them interesting. No sign should be left up for more than 2 years without approval of the Branch Manager.

- Except for hours and closing signs, signs should not be put on exterior windows or glass doors.

- Signs should be put in plastic sign holders, printed on card stock, or laminated.

SIGNAGE BY PUBLIC

In general the public may not put up signs on Library property. See JMRL Policy Section 4.51 for more information.

Adopted January 28, 2013
Signs are temporary or permanent visual communications that are used by the Library to:

- promote Library events, programs, and courses
- outline Library policies and procedures
- provide directions to Library materials and facilities
- meet legal or jurisdictional requirements
- identify services and spaces within the facility
- enhance the Library experience through decorative effect

Signs represent statements by JMRL to the public. Signage should serve JMRL’s mission and values. Logos or URLs on signs should be limited to JMRL, or organizations and activities directly related to JMRL’s mission and values.

Generally signs may only be posted by library staff, library partners, governmental partners, the Friends of the Library, or the Virginia Festival of the book. Members of the public interested in posting information at JMRL should refer to Policy 4.51 DISPLAYS AND HANDOUTS.

Library signs should be visually appealing and convey a positive and professional impression of the Library. Signage created by JMRL should be stylistically consistent with the Library’s branding.

Signs may only be placed in designated areas at the discretion of the branch manager.
